## NAVY COACH TRYING FOR WINNING COMBINATION

Perry and Kennedy Allowed to Rest, Hicks Shifted From Guard to Right Tackle—Other Changes.

### ARMY HEADLINERS RETURN

Daily Easy on Convalescents—Yale Varsity Smothers Freshmen in Practice Game—Tiger Leaders Set Grueling Pace.

ANNAPOLIS, MD., October 21.—Determined to find the most efficient combination, Head Coach Howard, of the Navy eleven, has made a few changes in the line-up for Saturday's game with the University of Virginia. Perry, center, and Kennedy, right tackle, rested to-day, while Hicks was shifted from guard to right tackle. Jackson, a big fourth-classman, was at right end, and was succeeded later in the afternoon by Alexander, who has been shifted from the back field. The combination worked well, and will be held together long enough to get a thorough line on it.

There was no change in the back field from yesterday. Miles did well at quarter, his passing being a feature.

WEST POINT, N. Y., October 21.—Although all the headliners were back in togs to-day except McEwan, Head Coach Daily would not permit any scrimmaging for the convalescents. After a shake-up, a varsity eleven, composed of Kelly and Britton, ends; Carlin and Butler, tackles; Herick and Meacham, guards; Goodman, at center; Mahoney and then McDermott, at quarter; Henderson, Benedict, Coffin, in the back field, lined up for an hour's hard work.

The most notable change was made when Timberlake, who has been playing at guard all year on the varsity, was shifted to the back field.

Herick's work at guard continues of a high order. The varsity and scrubs fought to a scoreless draw. Weems went to the hospital to-night with a bad ankle.

NEW HAVEN, CONN., October 21.—Plunging through their fiercest scrimmage of the week, the Yale varsity smothered the freshmen eleven this afternoon with three touchdowns, and allowed the 1913 players only a single first down, once during the three marches down the field following the freshman kickoff were the varsity held full third down, and on this occasion at the scrum, Benedict, line, they converted their distress into a score through the drop kick route.

The favorite freshman play was an onslaught by Yates, the 230-pound freshman tackle, who was called back for the freshman attack.

The varsity registered their first score with double passes, Legore to Knowles, and second with a 40-yard netting forty yards. Legore's field goal closed the advance. Only four plays were needed for the varsity to score their second touchdown, Ainsworth dodging half the freshman team for a sixty-five-yard run, which ended at the 1913 goal.

Line smashes were used by the varsity, covering a ninety-yard gain for the final touchdown which was made. Scovell replaced Alex Wilson at quarter back, and will probably hold the place on Saturday.

PRINCETON, N. J., October 21.—There was no hold-over today from the grueling game through which the Tigers have been put every day this week. For an hour and twenty minutes the varsity scrimmaged, forty minutes against the freshmen and the remainder against the scrubs. Four touchdowns were rolled up against the cubs, most of the gains being made on the drive, and a 60-yard run by Tibbott, through the whole freshman eleven netted one of the 1913 goals.

Glick and Bigler were kept on the side line to-day, and Latimer was in only a short while. The varsity was to be used in the Dartmouth game, and the coaches are taking no chances on injuries.

CAMBRIDGE, October 21.—Frank, the newest candidate for a back field position on the Harvard eleven, made the only touchdown against the freshmen team to-day, and the Princeton freshmen showed up the regulars in line strength, however, holding the element for defense with the ball on their one-yard line.

Malan, Logan, Pennock, Harwick and Trumbull were kept on the sidelines to-day, and appear to be in condition to face Pennsylvania State Saturday. It is stated that a fourth team will be substituted center, will be given a tryout at tackle.

Friday night, October 21, at the Academy of Music a wrestling carnival will be staged between middleweights. There will be two matches to a finish, and as the pairs are evenly matched, there will likely be a full evening of sport.

Joe Turner, well known to the local lovers of the game, will grapple with Louis (Bull) Montano, and John Kilonis, also well and favorably known locally, will be matched with Zynackio, the Polish middleweight champion.

Turner has recently returned from an invasion of the New England cities, and in his travels defeated Peter Gillette and Charles Pelberg at Woonsocket, R. I.; Ed Miller, at Boston, Mass.; Joe La Salle, at Manchester, N. H., and Oscar Samerelson, at Pittsburgh, Pa.

Montano, his opponent, has defeated such well known wrestlers as Jess Hansen, Jack McCarthy, Young Monday, Martin Ludecke, George Borthner and many others.

Kilonis has wrestled before a local audience on a number of occasions, and his ability as a grappler is well known. Zynackio has only been in this country nine months, and in that time has met and defeated the best middleweights in the East. His most famous victory was over a grapple with "Cracker" Butler, in London.

The four wrestlers are training for the battles, and promise to show the audience some speedy action when they step on the mat.

Turner is at present meeting all corners of the Bluff Theatre, Washington, and will continue his work-outs until the day before the match.

The Yellow Jackets had a long signal drill on Sunday, and got several new plays working good. Robertson has not been out this week on account of sickness, and his place has been shifted from end to full back, and Christian is playing left end. Hopkins is being tried at right tackle, but has a badly sprained ankle, and has not been taking part in the scrimmages. He is being held in the line-up place, but Bush will be in the line-up Saturday.

Byrd, a freshman, who has been playing quarter back on the second team all year, has been showing up well lately, especially in running the team. He is rather small, but is developing into a good player.
